## TRIGGERED PROGRAMS REQUIRING ACTION

One or more programs on the Annual Completion, Placement, and Licensure Form are highlighted which indicates they have been triggered as not meeting minimum benchmarks for completion, placement, and/or licensure. The minimum benchmarks for all programs are:

- 60% Total Completion Rate (Column 27 on the Form)
- 70% Total Placement Rate (Column 29 on the Form)
- 70% Licensure Exam Pass Rate (Column 30 on the Form)

(There are some exemptions to the minimum benchmarks given to institutions that offer special programs and serve special populations. Institutions that are given exemptions should have a letter on file from the Commission which specifies their minimum benchmarks.)

A plan of improvement for each triggered program must be submitted with this annual report. Plans must address all steps to be taken to address the specific area of concern (completion, placement, and/or licensure). Please refer to 'Suggested Procedures for Development of an Improvement Plan for Programs' in the Help Menu of the software. Plans for improvement must be uploaded into the software using the 'Uploads' feature in the blue task bar.
