

Dear Parents/Guardians and High School Seniors:

Graduation will be here in a few short months. It is time for your high school senior to plan for their future. Locklin Technical College would love to be a part of the plan. Scholarships are available for your student to complete their current program of study or embark on a new career pathway. Please visit the Locklin Technical College website for complete program information. www.locklintech.com

Please complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov and enter Locklin's school code number 017198.

We encourage your student to apply for the Locklin Technical College scholarship as soon as possible and note all steps and deadlines for application submission. Please contact the Locklin Technical College Student Services Department for more information or assistance with the application process.

Sincerely,

Amanda Coleman
