

Dear Parents/Guardians:

Graduation will be here in a few short months. It is time for your high school senior to plan for their future. Locklin Technical College would love to be a part of the plan. Scholarships are available for your student to complete their current program of study or embark on a new career pathway. Please visit the Locklin Technical College website at www.locklintech.com for complete program information.

Below is a list of scholarship information that will be discussed in a student meeting with your senior. Please note, many of these scholarships require completion of the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov.
