This challenging curriculum includes the metric system, medical terminology, medicinal drugs, pharmaceutical compounding, sterile techniques, maintenance of inventory, IV preparation, preparing purchase orders, receiving and checking supplies purchased, printing labels, typing prescription labels, delivering medications, pricing prescription drug orders and supplies, prepackaging unit doses, patient record systems, control records, data processing, computer application, employability skills, leadership and human relations skills, health and safety, including CPR. The coursework is broken down as follows:

- 90 Hours Basic Healthcare Worker
- 360 Hours Community Pharmacy Tech
- 300 Hours Pharmacy Tech 1
- 300 Hours Pharmacy Tech 2

Laboratory activities and clinical practicum experiences are an integral part of this program.

## Availability

Pharmacy Tech students have one enrollment date which is the beginning of each school year.

## Financial Aid

Locklin Tech has a financial aid counselor to assist students who may qualify for a Pell Grant. Locklin's school code number is 017198. The application process may be completed on-line at [www.fafsa.gov](http://www.fafsa.gov).

## Admission

As an initial part of your potential enrollment, you will be given the Test of Adult Basic Education (TABE). The TABE is a measurement of reading, language and math skills and will be used to determine your strengths and weaknesses. A TABE score of 11.0 in math and 10.0 in language and reading is required to complete this technical program. Applicants scoring two grade levels below the required score must attend remediation classes to improve basic skills. Achievement of basic skills is required before a certificate of program completion can be awarded. A booklet, *Preparing for the TABE*, is available in Student Services to provide you with an overview for this computer-based test. Call 983-5700, ext. 209, to schedule an appointment and obtain information on testing fees. Please provide photo identification at the time of testing. Proof of a high school diploma or its equivalent is required to enroll in this program.

## Tuition/Fees/Other Costs

See a current schedule for tuition. Additional cost to the student will include books (\$150), uniforms (\$100) and supplies (\$15). State and national certifications \$105-\$129, background check (\$25), drug screening (\$20) and up to date immunizations will be additional expenses for the student.

## Background Checks, Drug Screening & Immunizations

Employers for clinical practicum experiences for the Pharmacy Tech students require no felony convictions. Adult students must obtain a report from FDLE (<http://www.fdle.state.fl.us>) and present a report at the time of registration. Employers for the clinical practicum hours require that the Pharmacy Tech students have no felony convictions.

Students must have a drug screening and up to date immunizations to participate in the clinical experiences.

## Length of Program

**1050 Hours**

Adult students must be enrolled fulltime in the Pharmacy Technician program during the year to earn 900 hours of the 1050 hours required for the program. The additional 150 hours may be completed through clinical or summer school hours.

## State Licensure

Upon completion of the program, students are eligible to register and apply for licensure with the Florida Board of Pharmacy.
